Session No.	Rubric
Session 1	For recording a personal story: 1. Hand Gestures: Use natural, purposeful movements that match the story and keeps hands calm when not gesturing 2. Eye Contact: Maintain strong, steady focus on the camera without reading from notes or looking away 3. Body Posture: Display an open, confident physical presence and sit or stand up straight throughout the video 4. Voice Volume: Modulate volume effectively, raising it for excitement and dropping it for quiet tension while remaining audible 5. Pacing & Pauses: Speak clearly at a varied pace, slowing down and using short pauses to emphasize important moments Effective Presentations: 1. Identify the single key message that each slide should communicate 2. Know the elements of comprehensive communication 3. Know how to organize a presentation so that it flows like a coherent story rather than a collection of slides 4. Create presentation slides that are visually clean, uncluttered, and easy for an audience to understand 5. Feel confident creating and delivering a presentation that keeps the audience engaged
