MARKET OPPORTUNITY

Huge Growth: Roasted edamame market is valued at 1.24 Billion Dollars (≈7% yearly growth).

Health Demand: 20-40-year-olds want high protein, plant-based snacks, which Snapper offers.

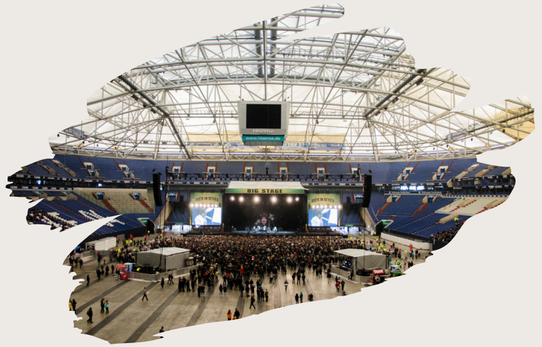

Gap: Few brands mix adaptogens + electrolytes in a premium, eco package –Elydra fills it.

MARKET STRATEGY

Influencer seeding with wellness/fitness creators.

Pop-up tasting events in top five metropolitan markets.

Targeted digital marketing (Instagram, TikTok, wellness podcasts).

Early retail partnerships in negotiation.

COMPETITIVE LANDSCAPE

BRANDS	ADDITIVES/PRESERVATIVES	SUGAR FREE	PREMIUM PACKAGING
