What makes us different

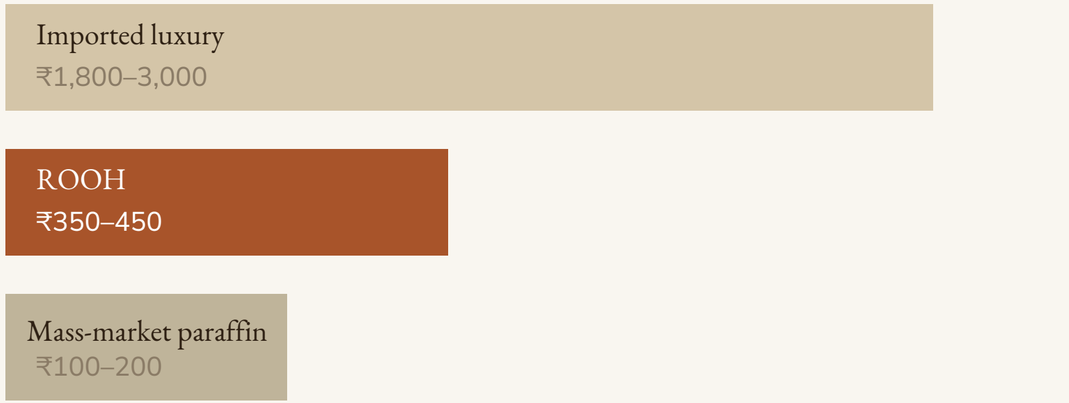

USP

Café-menu & dessert-inspired scents (Coffee, Matcha, Chai, Motichur) at ₹350–450 — between ₹150 mass-market paraffin and ₹1,800+ imported soy. Every scent wears the Rooh arch label and ships in a kraft box with thermocol-lined protection.

Competition

Below us: mass-market paraffin candles (₹100–200, synthetic scent, dirty burn). Above us: imported luxury — Bath & Body Works, Diptyque, Ekam (₹1,800–3,000). We own the gap.
