Hello.

The Course

Understanding Critical Concepts in marketing

Session 1

Grounding -

- What is marketing
- The Course

Session 2

Critical Concepts

- Needs, wants, Demands
- Consumer vs Customer
- Marketing Environment

Knowing Consumers Better

Session 3

Consumer Behavior

- Neuroscience
- Consumer Buying Behavior – Consumer Bias
- Consumer Funnels

Session 4

Target Consumer

- Segmenting & Targeting
- Pen Profiles
- Understanding Motivations

Session 5

Customer value

- Types of Benefits
- Differentiation
- Positioning

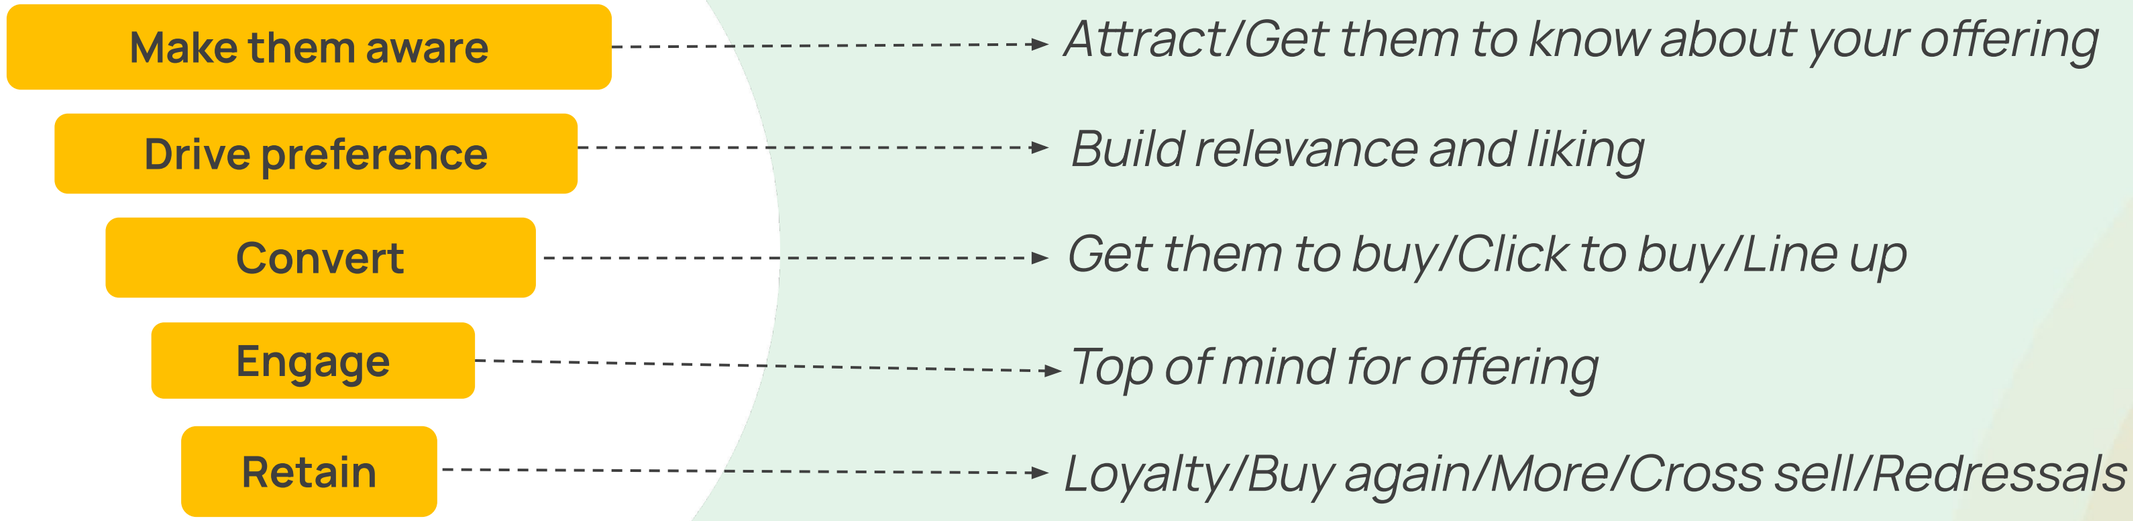

Think of new brand/Product you bought!

When/How did you ***hear about it?***
What did you do to ***know more?*** (if you did that is)
Why did you buy it? What made you buy it
Did you ***buy more? Stop buying?***
Did you ***recommend*** to Anyone
Did you ***speak*** to Brand

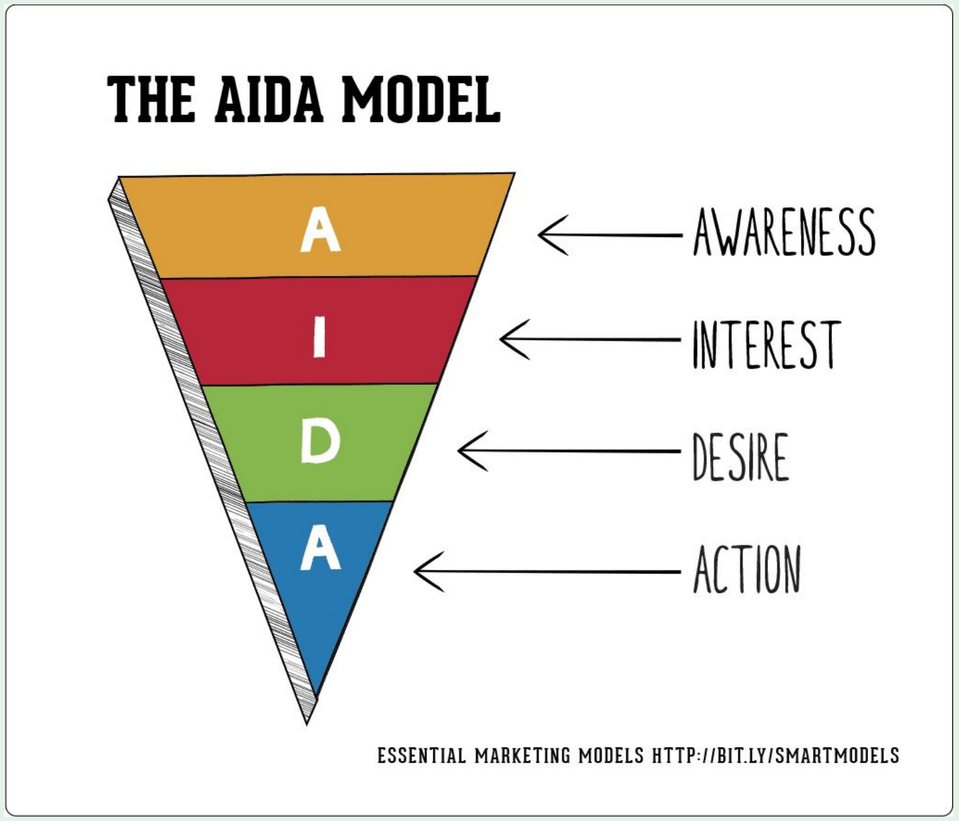

Managing Customer Relationships

Driving funnel

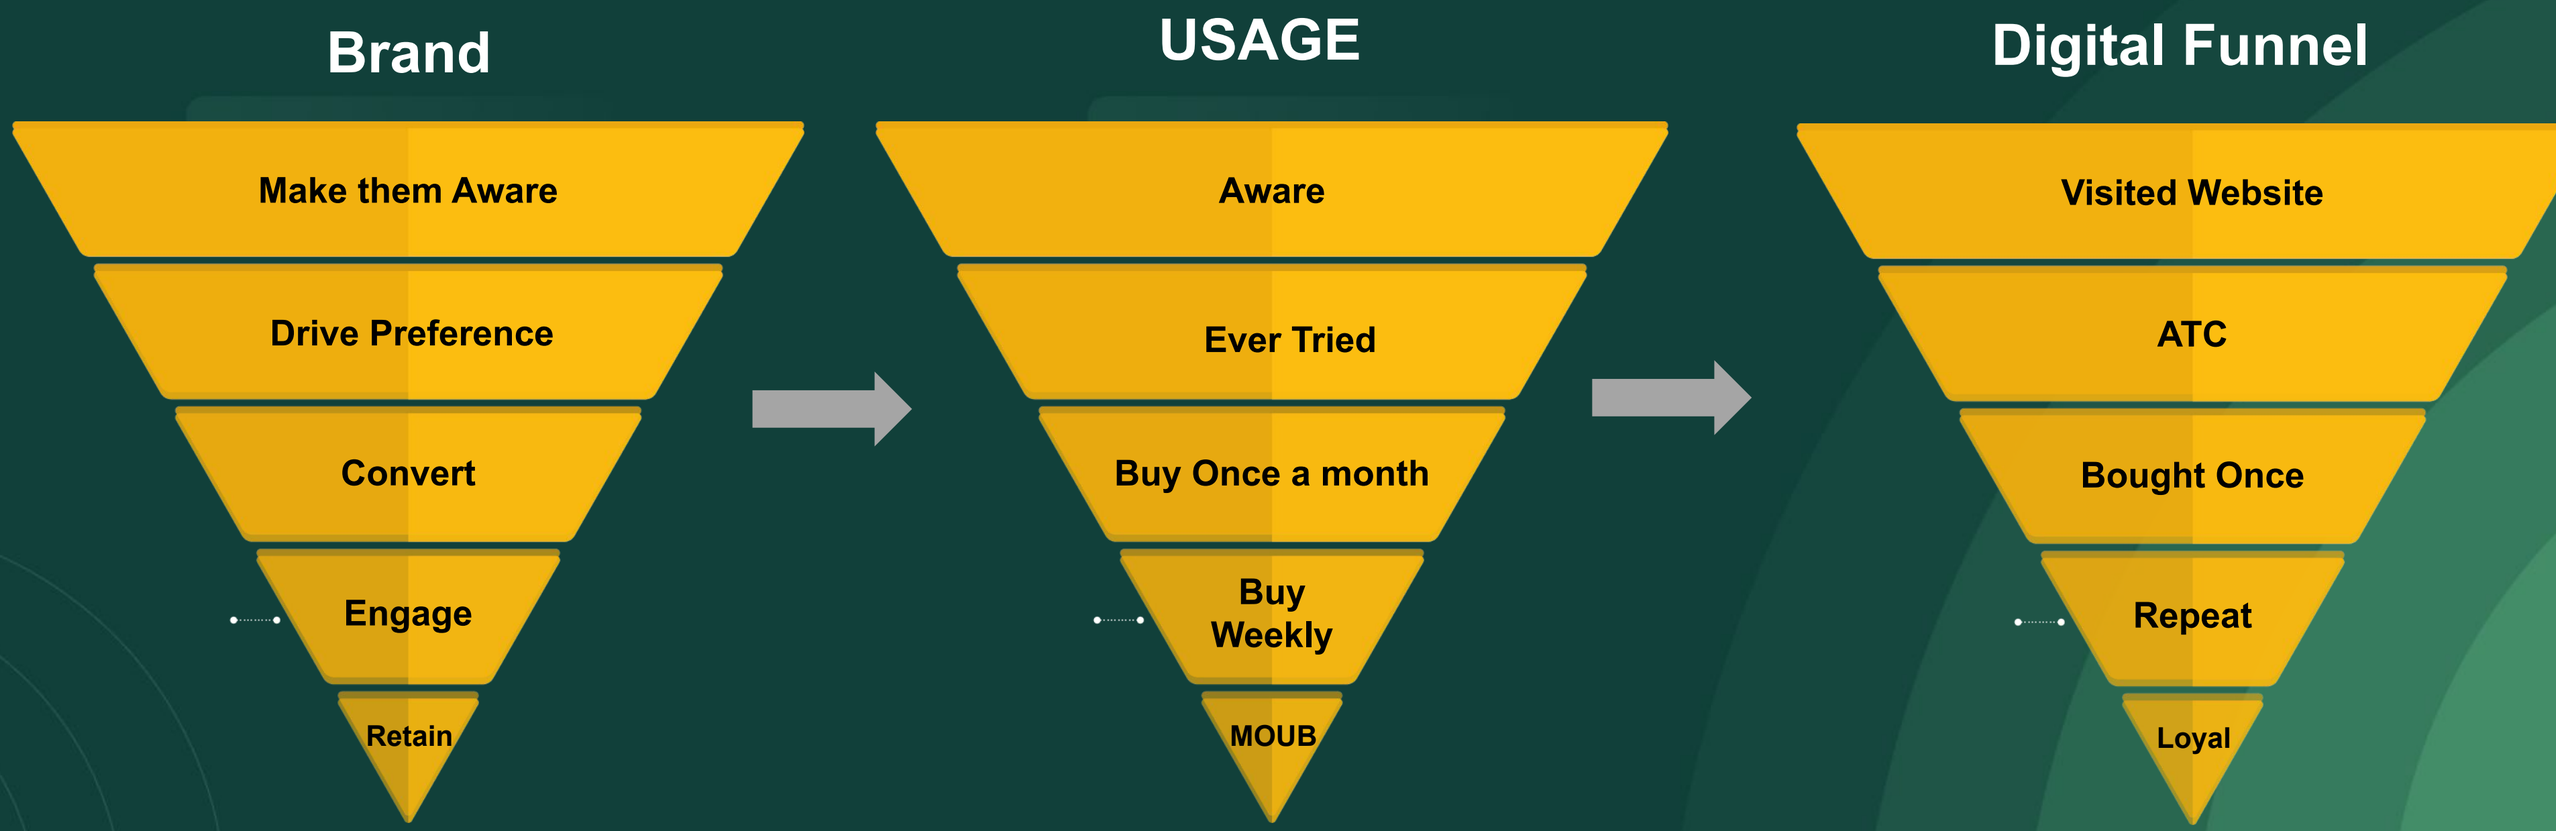

How consumers end up buying

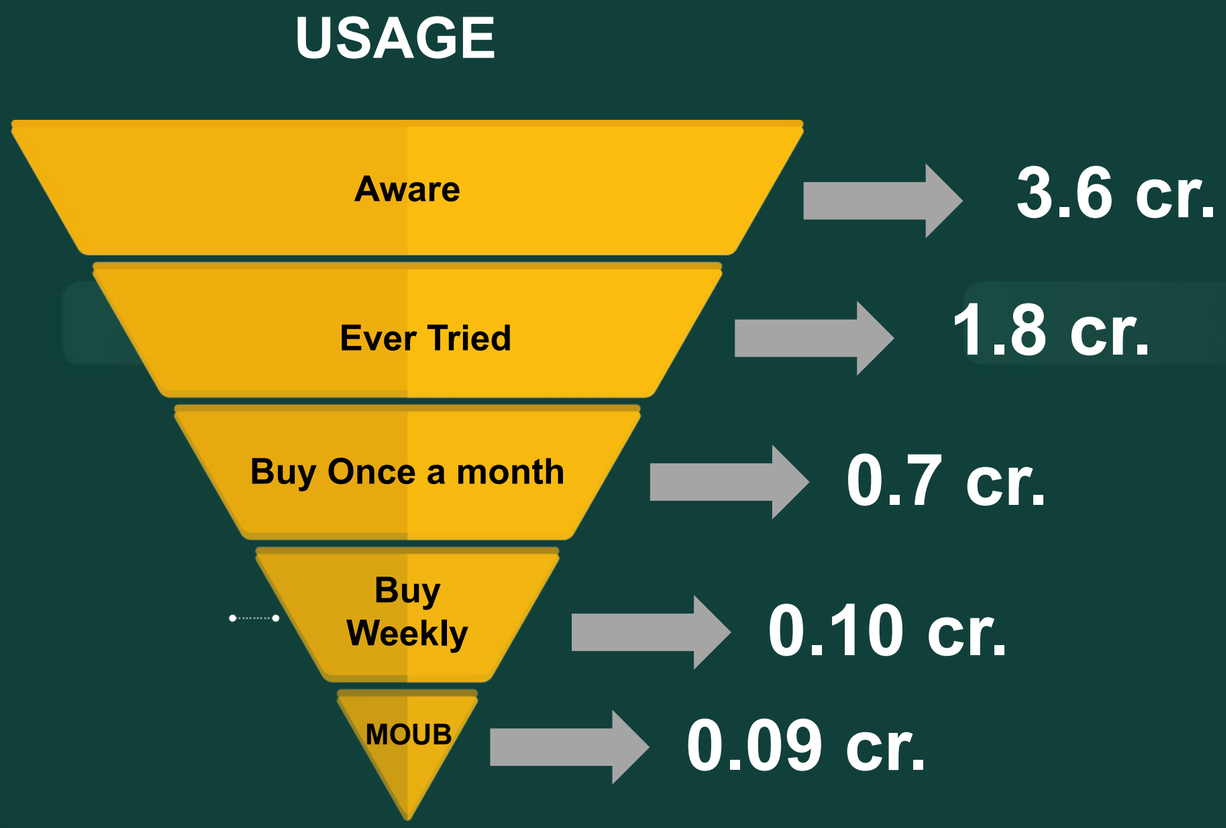

Consumers Progress through Funnels!

ATC – Added to Cart
MOUB – Most often used Brand

Understanding stages of buying Decision Process

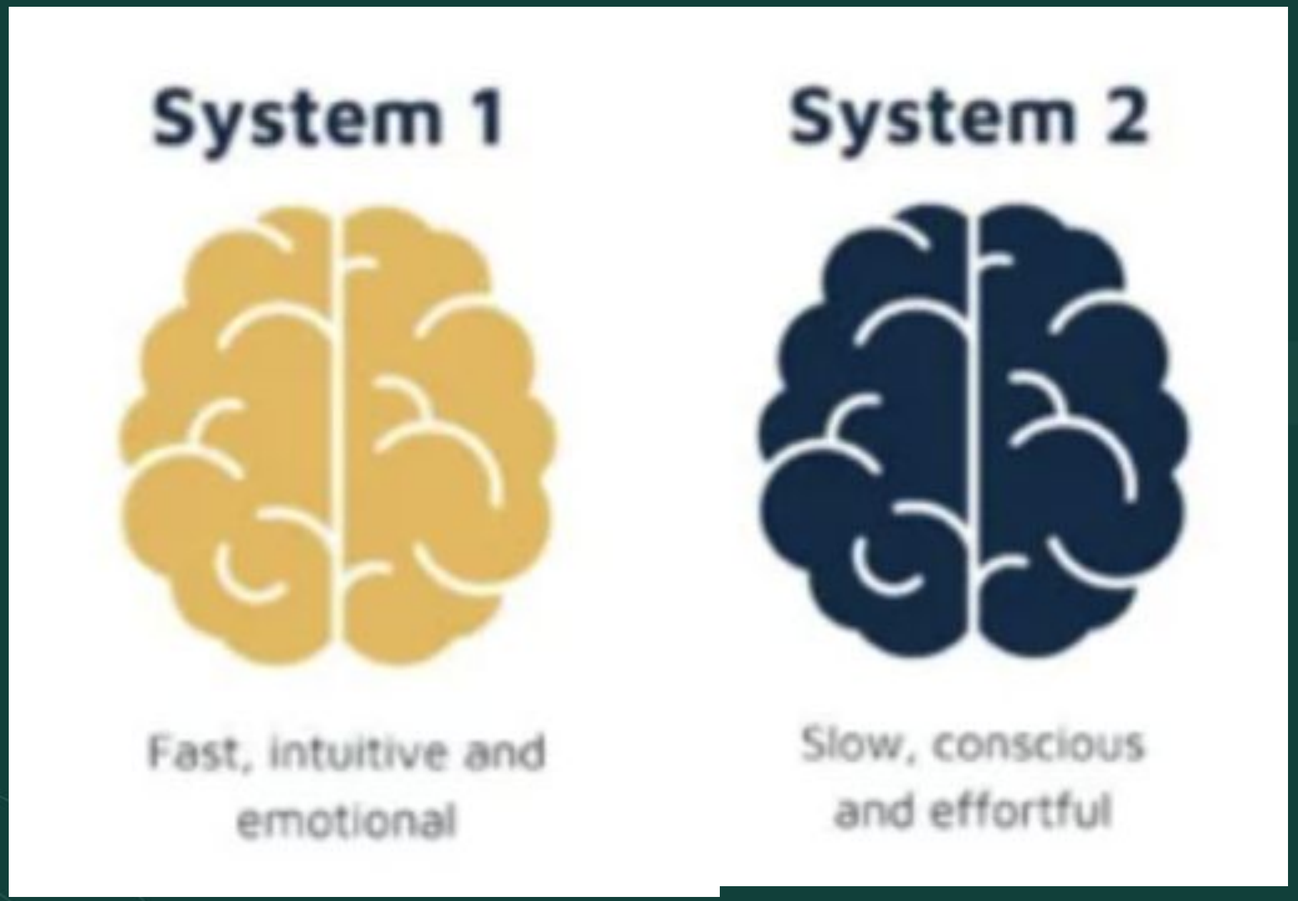

Mesa SCHOOL OF BUSINESS

Poll – Agree or Don’t Agree?

“Human beings are rational and purely make decisions based on price, value and features”

Our brain is a survival engine

Consumers don’t just rely on Logic*, but take shortcuts*

Always looking to reduce *cognitive load*

Consumers don’t just rely on Logic, *but take shortcuts*

Mesa

Story of a *Horse!*

Jeep Wrangler

- A category of its own!
- Launched in 1986
- 90's - Challenged by SUVs, Sales decline!
- Chrysler, owner of the Wrangler, was ready for an overhaul
- Wanted to reposition it to challenge to SUVs
- Consumer Research – Checked with what people wanted
- Direction – More luxury, Enclosed!

Mesa SCHOOL OF BUSINESS

Story of a *Horse!*

Clotaire Rapaille – *"I did not ask what they want, but dug deep to find out earliest memories of Jeep"*

Culture Coding– **Unconscious** meaning we apply to any given thing-via the culture we are raised!

STORIES

Open Land – American West

Rugged Terrain

Ride Free

Culture Code – HORSE

The direction of overhauling this to luxury will be a mistake

Horses don't have luxury appointments, butter soft leather!

He got them to make one small change!

- Response was positive
- Sales increased the round headlights and grille are regular feature ever-since
- They made it part of its logo!
- Advertising!

Psychology list many Shortcuts/Heuristics

Confirmation Bias

tendency to listen more often to information that confirms our existing beliefs

Hindsight Bias

tendency to see events, even random ones, as more predictable than they are - the "I knew it" phenomenon

Anchoring Bias

tendency to be overly influenced by the first piece of information that we hear

Misinformation Bias

tendency for memories to be heavily influenced by things that happened after the actual event itself

Actor-Observer Bias

tendency to attribute our actions to external influences and other people's actions to internal ones

False Consensus Effect

tendency people have to overestimate how much other people agree with their own beliefs, behaviors, attitudes, and values

Halo Effect

tendency for an initial impression of a person to positively influence what we think of them overall

Horn Effect

tendency for an initial impression of a person to negatively influence what we think of them overall

Self-Serving Bias

tendency for people tend to give themselves credit for successes but lay the blame for failures on outside causes

Availability Bias

tendency to estimate the probability of something happening based on how many examples readily come to mind

Affinity Bias

tendency to form a deeper connection with someone you share a connection with or share a perceived connection with

Selection Bias

tendency to notice things more when something has happened to make us notice that particular thing more

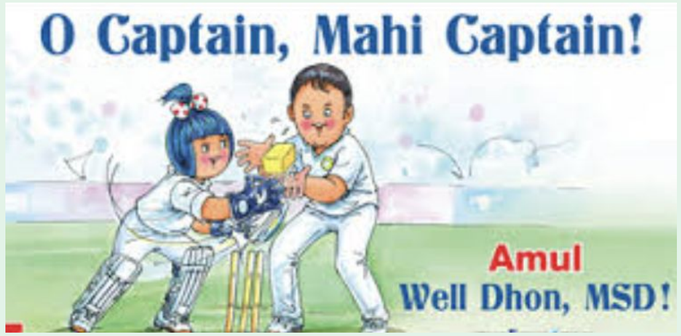

163 more…
